## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 10-23 and 32-37 allowed.
2. The following is an examiner's statement of reasons for allowance: Regarding Claims 10-23, prior art failed to establish a semiconductor device comprising an insulating layer over the substrate including a thin film low-k dielectric layer having a first dielectric constant and a carbon nitride cap layer on the low-k layer where the carbon nitride cap layer has a second dielectric constant less than the first dielectric constant such that the insulating layer has a third dielectric layer that is less than the first dielectric constant. Regarding Claims 32-34, prior art failed to establish the required hardness and the dielectric constant of the insulating layers. Regarding Claims 35-37, prior art failed to establish coating with the carbon nitride material.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
